About Income Tax Withholding

Under current federal income tax law, we are required to withhold 10% of the taxable portion of the cash surrender value and pay it to the IRS unless you tell us in writing not to withhold tax. Some states also require us to withhold state income tax if we withhold federal tax.

You are responsible for paying income tax on the taxable portion of your payment even if we do not withhold taxes. In making your decision about withholding taxes, you should consider that penalties under the estimated income tax rules may apply if your withholding and estimated income tax payments are not sufficient.

Please Check One: **Withhold** **Do Not Withhold***(This choice is void if we do not have your Social Security Number or Tax ID Number)*
